“Gratitude is the memory of the heart.”

Such were the words of Mary MacKillop in 1907. In this last Synergy newsletter before I move to a new role in Catholic Education Melbourne, there are many rich memories of the blessings of the past eight years and many related feelings of gratitude. What gratitude we have. What memories we hold in our hearts.

Joyful memories of celebrations...
of the Josephite milestones and the Canonisation of Mary MacKillop,
of the school visit of the first Female Prime Minister of our country
of the proud Golden Jubilee dinner, reunion and mass in the Cathedral
of the school song sung by the school community at full volume in the hall
of staff engagements, weddings, zero birthdays and births
of openings of new buildings and learning spaces and brand new laptops or iPads
of feast days and liturgies and the deafening cheering of House Days
of awards and student leaders and gifted arts performances and creations
of Year 7 girls nervously arriving for day one and Year 12 women at graduation
of cheering on swimmers, runners, actors, artists, musicians and teams of all types

Comforting memories of supporting each other...
in worrying times of natural disasters affecting our country and others
in sorrowful times of grief and loss of some much loved MSJ family members
in sad times when country or world leaders seem to have forgotten compassion
in anxious times of illness or when optimism seems harder to grasp
in times where courage was needed to try again when success wasn’t instant
in seeking peace after times of miscommunications or conflict
in new experiences during overseas travels and on camps and retreats
in knowing we were holding each other in God’s care in our thoughts and prayers

Everyday memories of joyful ordinary days...
of ‘Good morning” and “God bless you” and greetings from the crossing supervisor
of the first blue sky and sunshine days in the yard after long cold, breezy winters
of the sudden rush of girls towards the school gates at the end of the day
of the sound of talking and laughter in the yard as stories are shared
of peace filled mindful minutes in the middle of the day
of reassuring Chapel or Pastoral prayers or PA music and meandering to classes
of Club MSJ and MSJ’s Got Talent and staff MMADD Day musical acts
of smells of baking or gourmet creations coming from the Food Tech room

‘Look back a little and see what our good God has done for us.’
- Mary MacKillop 1881

My thanks to the College leaders, staff, parents and students who have been part of the journey and to the Sisters and the Board members for the wonderful opportunity to lead the MSJ Community for a chapter in the life of the College.

Now, after the first 50 years, the book turns the page to the next chapter and new MSJ friends and memories waiting to be made.

Thank you and God bless,

Cath Dillon
Principal
VCAA EXAMS - UNITS 1 & 2...
Please note that the Year 11 end-of-year examinations will be held from Friday November 13 to Thursday November 19.

All students must attend their scheduled exams in their full school uniform. There are no scheduled classes for Year 11 students during the exam period, so students are expected at school only for their timetabled exams.

EXAMS - YEAR 10...
All Year 10 students will sit examinations scheduled on Friday November 13 to Thursday November 19.

All students must attend their scheduled exams in their full school uniform. There are no scheduled classes for Year 10 students during the exam period so students are expected at school only for their timetabled exams.

EXAMS - YEAR 7-9...
All Years 7 – 9 students will sit examinations from Monday November 23 to Friday November 27.

HEADSTART...
All students currently in Years 10 and 11 will undertake the HeadStart programme from Monday 23 November to Thursday 1 December. During HeadStart students will undertake four lessons in each of their 2015 semester one subjects. Homework will be set to assist students to commence the new year with confidence and knowledge regarding the type of learning that occurs in each subject. Any student who knows that she will be absent from any of the HeadStart programme must see her current Year Level Co-ordinator. Students are advised that absence may put their VCE studies at a disadvantage. Absentees will be required to undertake the work missed in addition to completing the holiday homework.

AWARDS EVENING ...
Our awards evening, Merrijig, is an opportunity to recognise the many achievements of members of the College community throughout 2015. **Merrijig is to be held on Thursday December 3 at 7.00pm.**

The evening will recognise student academic achievement, student involvement and student encouragement.

Year 12 students will be recognised for academic achievements at the Opening College Assembly in 2016.

Joanna De Bono  
Deputy Principal - Learning & Staff
STUDENT TECH TEAM: KNOWIT...

Students at MSJ have many talents that are shared on a daily basis and the KnowIT team are a great example of how a group of students are using their skills and knowledge to support our school community.

Over the course of this year, the KnowIT team have been managing the IT Helpdesk to provide support to staff and students covering a range of areas. These students have undertaken workshops in customer service, IT support and have been mentored by staff in the IT Department.

The girls are at the desk Tuesday and Thursday at lunch and are available to answer questions and provide support for anything technology related. All students and staff are encouraged to come and visit the team if they need any help or have any tech questions.

CYBERSAFETY...

Over the course of the year, students in Years 7 & 8 have taken part in a range of lessons and activities that support the safe and responsible use of technology. To continue the conversation at home, all families are encouraged to explore the resources available at esafety.gov.au.

This website includes a great section with Parent Resources that contains information and tips relating to:

- Cyberbullying
- Time spent online
- Inappropriate content
- Social media use

Elise (10C) and Grace (10C) helping out Greta (10C) do a software update

HAVING FUN WITH SCIENCE...

On Wednesday the 14th of October, a group of 16 Year 10 students embarked on a Science filled excursion to Deakin University. We participated in Deakin’s Science is Fun workshops and viewed intriguing demonstrations, all of which focussed on the areas of Chemistry and Zoology.

The first half of the day was very hands on, we were able to get our hands dirty as we constructed ‘Ooblek’ and worked on identifying the pH levels in everyday items that we use and consume. The second half of the day saw us being educated on the classification of different bird species. Additionally, we were shown how to construct a dichotomous key and to distinguish the varying features of animals from the same species.

The staff at Deakin University made the workshops fun and they had clearly dedicated much time and effort into organising these educational and enjoyable activities for us to partake in.

“Living in harmony with nature and God”
TIPS FOR STAYING SMART & SAFE ON SOCIAL MEDIA...

eSmart 101 – ‘Appy Hour

These days you can download an app for almost everything – keeping up with friends, banking, finding directions, cooking … you name it, it most likely exists. Most of these apps are great, but there are some, particularly social apps like Instagram, Facebook and Snapchat that present some problems when not used correctly. So as many are using these apps, it pays to know the basics.

Instagram

Instagram is a photo and video sharing app. Users can like, comment or share posted photos or videos as long as they have permission from those in the images to upload. If no permission, then no go!

Contact: Setting your account to “Private” means you can accept and reject “Followers”. Only followers can see your photos. Users are able to block others from viewing their profile.

Content: Profile pictures are never private any Instagram user can view them. Despite photos not being able to be saved, screen shots can be taken and there are a number of Apps available that can “regram” or re-post a picture or video that has been posted on Instagram. If not set to private users photos or videos can searched for by hashtags or on the popular pages, which shows what your Followers have liked or started following. There is also a search function for searching for users and hashtags. The “Discover People” tab shows people you may know that are not on private accounts based on existing followers.

Conduct: Inappropriate posts or cyberbullying can be reported to Instagram for removal. Users should think before they post photos of themselves that are provocative and/or provide personal information. Users should ensure they are commenting, posting and sharing positively.

For more information on how to modify Instagram settings go to www.esafety.gov.au/esafety-information/games-apps-and-social-networking/instagram

Snapchat

Snapchat is a social media app that allows users to send pictures and videos that are no longer than 10 seconds. Photos and videos can have filters, text and drawings added to them within the app.

Some points to note:

- Users can post multiple pictures and/or videos to their ‘My Story’ which can be viewed by other snap chatters for over 24 hours.
- Celebrities now advertise their username so that fans can add them to their friends list and view their snapchats.
- You can also send messages through the app which disappear within a few seconds.

Content: Although users can choose how long their photo is displayed for there is a function which enables receivers to REPLAY or SAVE the image. So be respectful in what you post and always have permission to post another person’s image.

Contact: Snap chatters can add other snap chatters by hovering one device over the other to pair them. Snap chatters can also find each other by searching their unique user names. Accounts are also linked to the user’s mobile number so all contacts in the user’s phonebook will appear via the app with their Snapchat username.

Conduct: Inappropriate posts or cyberbullying can be reported to Snapchat.

IT NEWS - LAPTOPS 2016...

Over the course of the last few weeks, Year 7 students and the Student Tech Team, KnowIT, have been involved in perusing 2016 new laptop models.

After much deliberation, we have ordered 13” Macbook Airs for Year 7 and Year 10 2016 students. These laptops are thinner than the Macbook Pro making it lighter to carry and yet still powerful enough for up to 12 hours battery life.

Margaret Banks
IT Manager
SCIENCEWORKS & THE PLANETARIUM...

On the 7th of October, the Year 7 girls went on an excursion to Scienceworks, where we saw the Planetarium to expand our knowledge of outer space. In the Planetarium, we learnt about the significance of seasons and explored how Earth’s rotation and the orbit around the sun gives us our four seasons. We also saw Melbourne’s night sky and all of the constellations that were formed by many stars put together. We saw the whole solar system and we saw that the closer a planet is to the sun, the shorter the distance it has to travel. Therefore, planets closer to the sun have a shorter year than planets further away due to their orbit.

We also explored various open areas for general viewing. ‘Think ahead’ was where we explored the futuristic outcomes of our world. We had the opportunity to explore future career paths, transport, ecosystems and our future society in general. There were also activities to test our creative abilities. We had to design futuristic houses and our own career paths.

There was also an area where we tested the forces surrounding us and the Sportsworks section, that linked back to earlier topics on Forces. We did many fun and interesting activities to test our brain, strength and ability to identify optical illusions and challenging questions. We learnt many things about sport in a scientific way and understanding movement and skills without bodies and minds.

Overall, this was a great experience for all of us. Everyone was excited about this excursion. We think that this is going to be an interesting topic and thank the teachers who organised this excursion.

IT ALL ADDS UP...

On the 14th of October, the Year 7 girls enjoyed a performance titled “It All Adds Up” by Class Act Theatre.

The performance was not only fun but also beneficial for our education at the College. Through a creative and imaginative story, the play helped us understand that even if maths might not be our strongest subject, we can still develop and work on it. Here is a short summary of the story line:

Two students formed an unlikely duo as they help each other find solutions to some of the challenges they faced. At first, one student couldn’t see the point in school, especially maths, because she just wanted to make music. The other student, on the other hand, has the logic of maths to give her a sense of order and security. The pair finally crossed paths and helped one another understand the relevance of maths, while learning a thing or two about themselves. On top of that, they became the best of friends.

BOOKLISTS YEARS 8-12...

During October, all families will receive the 2016 booklists from our Bookseller, LINK Educational Supplies. Home delivery or collection days are clearly stated on each year level booklist.

In the final weeks of Term 4, all Year 10 and 11 students are involved in the HeadStart programme for 2016. During this time students are provided with an introduction to each subject and become familiar with subject designs and study expectations. We encourage you to organise the early purchase and delivery of items listed for Units 1 to 4 through the booklist.

Login details are included on every booklist and the website link appears below. Login with the code included on each booklist and follow the prompts.

Celebrating Penola House Term…

“Have courage and patience and God will help you in all things”
- Mary MacKillop (1899)

In Term 4 we celebrate Penola Houses’ story and the value of Courage.

Penola is a small town in South Australia not far from the Victorian border, in which Mary and Julian opened the first Josephite school in 1866. Together Mary and Julian opened a school in a stable house to educate the poor. This action to provide a free Catholic Education to the poor rural children took great courage and determination. Mary MacKillop took this determination and courage into all areas of her life.

Her love of God and trust in Gods providence is what gave her the courage to open the school in Penola. Mary from a young age had the courage to devote her life to God, move away from her family and continue her dream of providing education for the poor children across Australia. In her love of God, Mary was granted the courage to continue her schools. From these humble beginnings, the Sisters of St. Joseph have continued to influence Catholic Education across Australia. Mount St. Joseph is one of two secondary schools still owned by the Sisters, and just as Mary and her sisters continually encouraged their students, our girls are encouraged to have faith in Christs’ providence and face their challenges with great courage and virtue.

Next year will be a special year for Penola house as the Sisters’ of St. Joseph celebrate 150 years since the orders establishment in Penola South Australia. We look forward to celebrating this significant event next year with the Josephite community.

As we move towards the end of the year and our students look to their exams, we also remember those among us who need courage to face their crosses, so I leave you with this short prayer of courage. May we continue to be inspired by the courage, faith and determination of Mary MacKillop in all that we do.

God our comforter you stand with us in all our sorrows and difficulties.
May we like Mary MacKillop respond with faith and courage in all the hardships that we face in our life.
Amen.

St. Mary of the Cross, accepting of the cross in life, pray for us.

Prayer from www.marymackillop.org.au

Danielle Fairthorne
Director of Catholic Identity

CELEBRATING THE CANONISATION OF MARY MACKILLOP…

On the 17th of October in 2010 thousands of Australian pilgrims gathered in Rome to celebrate the Canonisation of Australia’s first Saint. Mary MacKillop was a remarkable woman of faith who faced many challenges in her life, and with her constant faith and trust in God, was able to achieve great things and provide care, education and love to many. The path to canonisation was a long one, beginning in the early 1920s. It was a great celebration when the Holy Father announced that our humble Mary was now a saint. St Mary MacKillop was now Australia’s first saint.

To commemorate this significant event; on Wednesday the 14th of October staff and students gathered to celebrate a special liturgy commemorating the 5th anniversary of St. Mary of the Cross MacKillop canonisation. Our liturgy also celebrated the connection we have as a school with the AJASS schools across Victoria. All schools celebrated a similar liturgy and the prayers of intercession for the liturgy was a video compiled of prayers led by students from ASJASS schools across Victoria, Tasmania and New Zealand.

During the liturgy our students were also able to hear from Sr Audrey Thomson rsj, a past teacher at MSJ. Sr Audrey reflected on her time leading up to the Canonisation, she was working in Scotland to share the story of Mary MacKillop. Along with Sr Audrey we also heard from three past students who were present at the Canonisation Mass in Rome; five years on and it was clear that such an experience was still so close to their hearts and has shaped their faith and life.

Overall the liturgy brought all AJASS students across the south east of Australia and New Zealand in a special way to celebrate our founder and inspiration; St. Mary of the Cross MacKillop.
Welcome back to Term 4. Term 4 is an exciting time in the life of the College, it is a time when we as a community reshape our learning, reflect on what we have achieved and place our study into the context of future learning. It is the time we see the culmination of a years study and can acknowledge our new learning.

I hope you have had an opportunity to embrace the fullness of family life over the recent break. School holidays provide the time to stop, reflect and reconnect with those who are dear to us in our private lives. It is often a good time to re-evaluate patterns of behaviour from the term and to set new family goals and dreams. I hope that the new term, and the beginning of this beautiful spring weather, enables you and your family to continue to embrace new ideas and experiences.

Last week, our new Student Leadership Team attended a two-day leadership camp at Don Bosco in Safety Beach. The two days provided a wonderful opportunity for our new leaders to reflect on the qualities of effective leadership and to establish goals for the 2016 Academic Year. Over the past week, the new leaders have visited each of our Year 7 – 11 pastoral classes and introduced themselves. It is my pleasure to introduce our Student Leadership Team for 2016 on the following page.

During the last fortnight our College community has embraced the fullness of life and acknowledged the many journeys we participate and travel in at Mount St. Joseph Girls’ College. Our Year 12 students have finished their formal classes and have been respectful and shown wonderful gratitude to the College community.

The Year 12 Mass and Graduation Ceremony was an excellent exemplar of partnership and community spirit. During the evening, we spotlighted the importance of collegiality, a love of learning and the relationship formed between the family and the College. We work with our families, students and one another to best meet the learning and wellbeing needs of our young women. It is through these open partnerships that we are able to challenge one another to continue to grow in the image and likeness of Christ. I would like to formally thank each family and individual Year 12 student who has continued to work with us in promoting learning and individual resilience. Our Year 12 students will be future leaders in their chosen field as demonstrated in their tenacity and zeal for life.

Steven Mifsud
Deputy Principal - Student Wellbeing

2016 COLLEGE CAPTAINS FIRST SPEECH...

Margaret Raffoul (11V) and Jessica Wolff (11V) spoke for the first time, in their new roles as College Captains, to the College community at our assembly. Below is their speech.

“Good Morning!

Jess and I are so happy to have been given this opportunity to be leading the SRC of 2016. We are both so humbled by this privilege to represent you all and take up the responsibility with great dedication and commitment.

We hope to be leaders that listen and inspire greatness at MSJ and within the community. Supported by the SRC, we hope to achieve as much as possible and leave our mark in our final year at MSJ. The goal within the next 12 months is to be leaders of action, to allow your ideas to be transformed into real-life achievements.

In the year ahead, we hope to create an abundance of happy memories and a community of empowered young women. But we are only two people - so we want your input as much as possible and we hope to make you proud.

There is such a great variety of talent and ideas here at MSJ, and we hope to embrace these gifts and empower you all to make your own impact in 2016.

Once again we thank you for this challenging and exciting role and we look forward to the year ahead.”

Margaret Raffoul (11V) and Jessica Wolff (11V)
2016 College Captains

“Living in harmony with nature and God”
2016 SRC LEADERSHIP CAMP...

The 2016 SRC headed to Don Bosco Camp at Safety Beach, for two days to start our Student Leadership Journey. The activities focused on team building, communication and getting to know our fellow SRC members. We arrived at the camp on Monday 12th of October and were greeted by the very friendly staff members and their pet chickens and dog. A number of ‘get to know you’ activities were undertaken by the group to ensure we all can support each other and effectively communicate. By the end of the activities, we realised that communication is a key to teamwork and being a good leader.

Throughout the camp we worked on our own individual leadership as well as participating in group work to develop our portfolio areas. This allowed us to reflect on our own leadership style, and learn about what makes a successful meeting and the expectations of us as Student Leaders at MSJ. We shared our thoughts and ideas with the whole group and it was a great way to confirm our roles in the school community.

The different portfolios had the chance to sit together and plan out a whole year of ideas and events for 2016. We then shared these with the rest of the SRC, it was exciting to plan and prepare a range of possible events. At the end of the first day we gathered in the chapel for a group liturgy. We learnt about the importance of Mary Mackillop and Julian Tenison Woods, and how we can be inspired and motivated by their leadership. We ended our liturgy with a calming meditation to reflect on our day.

We all had a great learning experience from the camp and it will definitely help us with our upcoming leadership journeys. The Don Bosco Leadership Camp was a memorable camp for everyone; it was a great way to start to our new SRC journey. We got to further develop friendships, and of course make new friends along the way!

Olivia Vella (8V) and Mia Paladino (8T)
2016 Junior College Captains
CITY2SEA FOR CHARITY...

My name is Kiara and I am in 9 Catherine, my dad and I have decided to run in the City2Sea (15km) on the 15th November. We aren’t just doing it for fun but to raise awareness and money for the Shanthi Foundation.

The Shanthi Foundation provides palliative care units in communities in Sri Lanka, delivers training for doctors and nurses in developing countries and they do regular home visits for patients requiring palliative care.

With the help of the Clean Water for Life Project they also offer water-purifying machines to areas affected by Chronic Kidney Disease. Unlike other charities, the Shanthi Foundation donate 100% of the funds directly to their programs to help the needy.

If you would like to help us reach our target and support the Shanthi Foundation please visit this page:

CO-CURRICULAR ACTIVITIES

CHEERLEADING CLUB...

At the start of Term 3, girls from all year levels joined a brand new club at MSJ - Cheerleading Club.

The Cheerleading Club get together after school every Monday. We had an amazing trainer, Argine, come in and teach us some basic cheer moves that each week progressed into a small routine.

We hope to start up a team next year and start competing.

Clarice Gatt
9 Veronica
SPORTS REPORT

SCSA LACROSSE...

MSJ went to the SCSA Lacrosse tournament on the 7th of October. We took 2 Junior teams and one Senior team. All three teams did extremely well with outstanding results.

Junior A finished 3rd and sadly missed out on the grand final by just two points. They were very lucky to have the opportunity to be coached by Damien Orr, an Australian Championship Lacrosse player. Junior B played very well but sadly didn’t place. Good job girls!

Throughout the course of the tournament the Senior team did a fantastic job. They finished with a 4-5 win in a very tight Grand Final that went into overtime. Great win girls! With every win there has to be the best player on the ground and of course our very own, very talented Steph Kelly won it. Congratulations Steph!

Well done to everyone that participated on the day. We would also like to give our biggest thanks to all the teachers that helped on the day and a very big thank you to Ms Sofarnos, Ms O’Brien and Ms Hawkins for organising the day as well as Damien Orr for coaching the Junior A team.

Sarah Fjeldstad and Lily Girvan
7 Joseph

SCSA TABLE TENNIS...

On the 9th of October students from MSJ attended the SCSA Table Tennis tournament at the Melbourne Sports Aquatic Centre, to compete against many other schools. This was a great opportunity for students as they made friends, learned different skills and more importantly had fun!!

All MSJ teams tried their best on the day, but as they say - we can’t always win. The Junior team had a bit of a rocky road finishing with only a couple of wins. The Intermediate team did a good job, however unfortunately didn’t make it to the finals. The Senior team were also up against some tough competition and also didn’t quite make the finals.

It was a great day getting to know different girls from other schools. Although none of the MSJ teams came home with a win, everyone sure had a BLAST!

Anna Veloukas & Jenan Dib
7 Therese

SCSA SOFTBALL...

On Friday 16th of October, the Junior and Intermediate softball teams went to Geelong to compete. It was excellent weather on the day and lots of fun was had.

The Intermediates came 3rd and the Juniors won their division. Congratulations to Gemma Srijan from the junior team, who was awarded player of the match in the Grand Final.

Laura Hegarty
9 Catherine

AUSTRALIAN CATHOLIC BISHOPS CONFERENCE

Catholic bishops condemn victimisation of women in detention and offer support for Abyan and other refugees who are pregnant in difficult circumstances

Media Release
22 October 2015

Australia's Catholic Bishops have condemned victimisation of women in detention and offered the Church's support to help Somali refugee Abyan who was said to be a victim of rape and sexual assault.

Bishop Vincent Long, Bishops Delegate for Migrants and himself a refugee, made the offer of support on behalf of the Church today.

‘The Church wants to offer trauma-related counselling and practical support to Abyan, to help her feel supported during and after her pregnancy, and to other women who find themselves in the same horrific situation,’ Bishop Long said.

‘Given Abyan was raped and that it was Australia who released her into the community in Nauru, we have a duty to provide her the appropriate services and care in Australia.

‘We want to honour the human dignity of both Abyan and her child.

‘Both Abyan and her child are victims of an unjust and immoral system.

‘Mandatory and indefinite detention for asylum seekers who come by boat and banishing people to overseas detention fails to uphold justice and mercy and is immoral.

‘One way Catholics demonstrate God's mercy and love on earth is through the services our agencies provide in healthcare and social welfare to look after our fellow Australians. We want the opportunity to be able to help Abyan and her child too.’

The Catholic Church teaches that human life is sacred because each person is created in the image and likeness of God. The human dignity of each person is inalienable. The human dignity and human rights of asylum seekers must be upheld at all times, regardless of their citizenship, visa status and mode of arrival.

The bishops have repeatedly called for the end of mandatory detention and for the closure of offshore processing centres like Nauru. The Catholic Church advocates for just and rapid procedures to determine each person’s claim for protection.

Media queries, please contact Aoife Connors on 0450 348 597 or media@catholic.org.au
NOTICE BOARD

ADMINISTRATION OFFICE HOURS
PH: 8398 2000
Payment of fees can be made at the office from 8.00 am - 4.30 pm, Monday – Friday.
